THE GIS FOUNDATION

The philanthropic arm of Gamma Iota Sigma reduces barriers to entry and expands access for students who might not otherwise be able to find or join the insurance industry.

The Foundation supports students from all backgrounds, abilities and socioeconomic circumstances through:

- Scholarships for a first professional suit
- Financial support for industry exams, licenses and designations
- Grants for experiential learning on campus
- Focused programs for Minority-Serving Institutions
- Professional headshots at no cost
- Accessibility resources for students living with disabilities
- Mental health workshops
