

# Texas – We’ve got you!

**Life insurers know Texas.**

**Life insurers take care of Texans.**

**And life insurers invest in Texas.**

It’s not just about selling life insurance; it’s about being all in to provide financial security to Texans when they need it the most while helping ensure stability and growth for the state’s bustling economy.

From taking care of Texans during the good times and bad times to investing in businesses across the state, life insurers build families and communities, and they don’t intend to stop.

## FOR TEXAS

Life insurers:

- Paid **\$9.7 billion in life insurance benefits** in 2022 to safeguard Texas families.
- Provided critical retirement income in the amount of **\$6.9 billion in annuity payments** to Texans in 2022.
- Invest more than **\$600 billion in the state’s economy**, including commercial, residential, and agricultural mortgages, stocks, bonds and more.
- **Generated 276,200 jobs** in Texas in 2022.
- Contributed to **\$4.064 billion in insurance taxes** collected by the state in 2023, accounting for almost 5% of the state’s total tax revenue.

Life insurers have Texas covered. From people to buildings and schools to farms, life insurers are and will remain a steadfast partner in helping keep Texans financially secure and protected.
