
Getting Started with the TALHI Mobile App

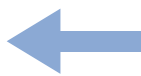

GETTING STARTED

DOWNLOAD THE FREE TALHI APP TO YOUR SMART PHONE OR TABLET:

iPhone and iPad users—search “TALHI” on the Apple App Store.

Android users—search “TALHI” on the Google Play Store.

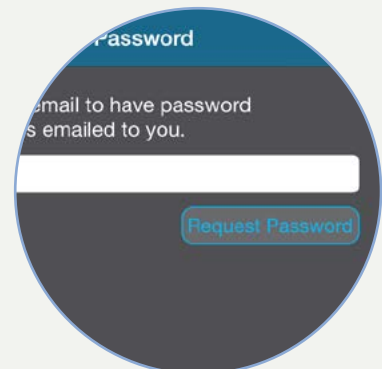

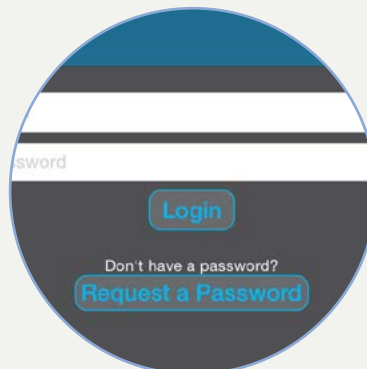

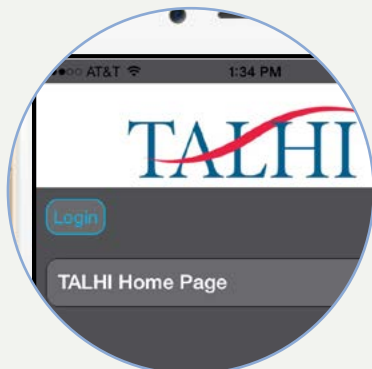

Blackberry, Windows, laptop users—go to this address (omit www):
<https://talhi.gatherdigital.com/>

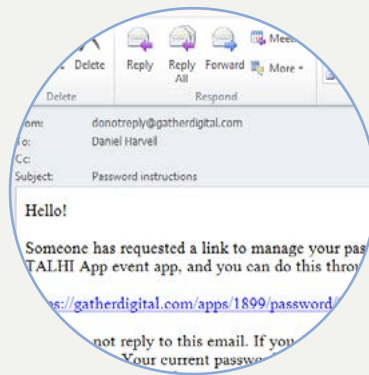

After the TALHI app has been downloaded to your smart device, tap on the app icon to get started.

REQUESTING A PASSWORD

1. Tap the  button below the TALHI logo.
2. Then create a password by tapping the  button.
3. On the next screen, **enter the email address that is associated with your TALHI account** and tap the  button.

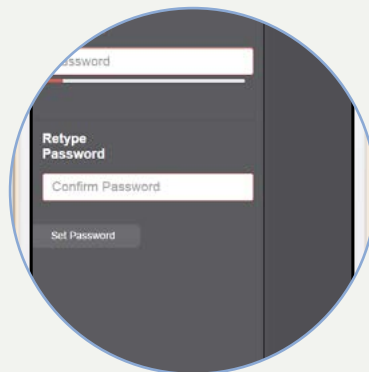

You will then receive an email at the associated account with the subject line "Password instructions."

From either your smart device or your computer, **click the link in the email**, and a webpage will open prompting you to create a password that must be at least **8 characters long** with at least **one upper case letter, one lower case letter, and one number**.

You will need to retype your chosen password in the second field and then click the "Set Password" button to finalize the process.

Returning to the TALHI app's login screen, type your email address and the password you just created in their respective fields, and then tap the Login button. You will now find yourself on the TALHI app's landing page.

Tap the TALHI Home Page button to start using the app.
